

Presents: ***Lunch & Learn!***

FREE Lunch and Learn Seminar:

Credit Repair & FICO,

You refer clients, we do the work, you make money.

- How to improve and maintain good credit
- The Fair Credit Reporting Act and how it protects you
- FICO Basics: The 5 sections you can control to manage FICO score
- We will show you how to make money by helping others with their credit

National Credit Education Services is a Credit Repair and Credit Education Company that offers a unique approach to credit repair with the three major Credit Reporting Agencies. Our **\$699 FLAT FEE** Electronic Dispute Process (EDP) for one full year of service helps clients improve their credit scores dramatically. No matter how many negative items, no matter what kind of items or how long they've been on clients' credit reports. We also offer the old fashion \$499 letter writing process.

Wednesday, September 22, 2010
